Rationale

The Staff and Governors of Clanfield Church of England Primary School believe that all our pupils should have an equal opportunity to benefit from school activities and visits (curricular and extra-curricular) independent of their parents' financial means.

This charging & remissions policy describes how we will do our best to ensure that a good range of visits and activities is offered and, at the same time, try to minimise the financial barriers which may prevent some pupils taking full advantage of the opportunities.

The 1996 Education Act requires all schools to have a policy on charging and remissions for school activities, which will be kept under regular review. The review date for this policy is recorded at the end of the document.

1. This policy identifies activities for which

- Voluntary contributions may be requested
- Charges will not be made
- Charges may be made
- Charges may be waived

2. Voluntary Contributions

Separately from the matter of charging, schools may always seek voluntary contributions in order to offer a wide variety of experiences to pupils. All requests for voluntary contributions will emphasise their voluntary nature and the fact that pupils of parents who do not make such contributions will be treated no differently from those who have.

The Law says:

If the activity cannot be funded without voluntary contributions the Governing Body or Headteacher will make this clear to parents from the outset.

No child will be excluded from an activity because his or her parents are unable or unwilling to pay.

If insufficient contributions are received, the trip or activity may have to be cancelled.

If a parent is unwilling or unable to pay their child will still be given an equal chance to go on the visit.

3. In-line with OCC Guidance no charges will be made for

- a) An admission application to any maintained school.
- b) Education provided during school hours (including the supply of any materials, books, instruments or other equipment).
- c) Education provided outside school hours if it is part of the National Curriculum, or part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school, or part of the school's basic curriculum for religious education.
- d) Tuition for pupils learning to play musical instruments (or singing) if the tuition is required as part of the National Curriculum, or part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school.
- e) Education provided on any trip that takes place during school hours (see section 4)
- f) Education provided on any trip that takes place outside school hours (see section 4). If it is part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school, or part of the school's basic curriculum for religious education.
- g) Supply teachers to cover for those teachers who are absent from school accompanying pupils on a residential trip.
- h) Transport provided in connection with an educational trip.

4. In-line with OCC Guidance Charges may be made for

a) **Activities outside school hours**

Residential and non-residential activities (other than those listed in Section 3 above) which take place outside school hours but only if the majority of the time spent on that activity takes place outside school hours (time spent on travel counts in this calculation if the travel itself occurs during school hours). (See Section 9)

b) **Residential visits during school hours**

The board and lodging costs (but only those costs) of residential trips deemed to take place during school time. However, pupils whose parents are in receipt of certain benefits (see Remissions Policy below) will be supported in paying the cost of board and lodging.

To determine whether a residential trip/visit is in or out of school time, the following applies: If the number of school sessions on a residential trip is equal to or greater than 50% of the number of half days spent on the trip it is deemed to have taken place during school hours (even if some activities take place late in the evening). Whatever the starting and finishing times of the school day, regulations require that the school day is divided into two sessions. A 'half day' means any period of 12 hours ending with noon or midnight on any day.

c) **Music tuition**

Music tuition for individuals or appropriately sized groups of pupils to play a musical instrument or to sing and which is not an essential part of either the National Curriculum or a public examination syllabus for all pupils.

5. Voluntary Contributions

Nothing in legislation prevents a school Governing Body from asking for voluntary contributions for the benefit of the school or any school activities. However, if the activity cannot be funded without voluntary contributions, this will be made clear to parents at the outset. It will also be made clear to parents that there is no obligation to make any contribution; when making requests for voluntary contributions, parents will not be made to feel pressurised into paying as it is voluntary and not compulsory.

No child will be excluded from an activity simply because his or her parents are unwilling or unable to pay. If insufficient voluntary contributions are raised to fund a visit or activity, then it will be cancelled.

6. School Charging Policy

As a school we recognise the valuable contribution that the wide range of additional activities, including trips, clubs and residential experiences can make towards pupils' education.

The Governing Body aims to promote and provide such activities both as part of a broad and balanced curriculum for the pupils of the school and as additional optional activities, for example After-school Clubs.

It is the policy of Clanfield Church of England Primary School that charges will (or may) be made as indicated below. Parental agreement will be obtained before a charge is made.

Activities that can be charged for (with the exception of board and lodging for residential trips) are regarded as 'optional extras'. Charges will not exceed the actual cost (per pupil) of provision.

7. Support offered to families who has difficulty making a financial contribution

In order to remove financial barriers from disadvantaged pupils, the Governing Body has agreed that financial support will be considered for some activities and visits where charges can legally be made.

Parents are encouraged to speak to the Headteacher to discuss what financial support is available.

8. Families qualifying for charges to be waived or help with charges

If financial support is available in relation to a particular charge, it is indicated in the right-hand column of the table in Section 6. Specifically, where children are eligible to Free School Meals, the school receives Pupil Premium funding (criteria for qualification are below) which can at the discretion of the school be used to support any activities where charges or voluntary contributions apply.

- Income Support
- Income-based Jobseekers Allowance
- Income-related Employment and Support Allowance
- Support under Part VI of the Immigration and Asylum Act 1999
- The guaranteed element of State Pension Credit
- Child Tax Credit, provided they are not also entitled to Working Tax Credit and have an annual income (as assessed by Her Majesty's Revenue and Customs) that does not exceed £16,190*
- Working Tax Credit 'run on' - the payment someone may receive for a further four weeks after they stop qualifying for Working Tax Credit.
- Universal Credit

Additionally, parents may ask for support with some costs in the following circumstances:

- If more than one child in a family is going on a trip or visit, and this puts the family under financial pressure.
- If a family is experiencing financial difficulty resulting from unforeseen circumstances.

Parents are encouraged to speak to the Headteacher to discuss what financial support is available.

9. Additional Considerations

The Governing Body recognises its responsibility to ensure that the offer of activities and educational visits does not place an unnecessary burden on family finances. To this end we will try to adhere to the following guidelines:

Where possible we shall publish a list of activities and visits (and their approximate cost) at the beginning of a term so that parents can plan ahead.

We have established a system for parents to pay in instalments.

When an opportunity for a trip arises at short notice it will be possible to arrange to pay by instalments beyond the date of the trip.

We acknowledge that offering opportunities on a 'first pay, first served' basis discriminates against pupils from families on lower incomes and we will avoid that method of selection.

10. Review

This Policy is reviewed annually by the Governing Body.
