

Parent Page

Help us to get to know your child, please complete this section in as much detail as possible.

We find the more information we have prior to children starting at Clanfield C of E School the sooner we can settle them in, ensure they are provided with appropriate support and make the transition from Nursery smooth.

How did your child get on at playgroup / nursery (e.g. Did your child find it difficult to leave you? Did s/he make friends easily? Did s/he particularly like or dislike any activities?)

Is your child looking forward to starting school?

Are any of your child's friends coming to Clanfield C of E School?

Who will normally be collectly your child from school?

Anything else you would like to tell us?

Child's name..... Signed.....Parent/Guardian
